INFORMATION ABOUT MEMBERSHIP FEES

Joining Fee

There is no joining fee for any of the memberships.

Due date of membership fees

Membership fees are to be paid by the members annually at the beginning of the year for the current financial year after invoicing.

Agencies have the option to choose the due date as of 31 March of a year. This must be agreed in writing with the office by the end of September of the previous year.

Joining in the current financial year

In case of joining after the 30.06. a half-year membership fee must be paid, after 30.09. a quarter-year membership fee must be paid. According to this regulation, benefits in the year of entry are reduced.

Failure to pay membership fees

On a justified request from a member, the Executive Board may, in exceptional cases, agree to a membership fee differing from the provisions of the current contribution regulations for the current financial year (financial year = calendar year).

If membership fees due after the 2nd reminder are not received by 30.06. and if the member does not enter into dialogue with the office, Eyes & Ears of Europe may terminate the membership unilaterally with immediate effect.

If membership fees due are not paid and the member makes a reasoned request, the membership may be suspended for a maximum of two financial years. During this period, all rights and obligations associated with membership shall be suspended. In the following financial year, the membership is automatically resumed. *This rule is possible once within five financial years.*

Cancellation of membership

Eyes & Ears of Europe will automatically renew the membership if it has not been terminated by a registered letter to the Board, subject to a notice period of at least three months at the end of the financial year. The financial year corresponds to the calendar year from 1 January to 31 December.

Eyes & Ears of Europe is registered with the District Court of Cologne: VR 12443.
